Earn CEU credits in person or on-demand!

Nebraska Neonatal Advanced Practice Association
invites you to join us for our
2026 Annual Conference.

You can join by:

- Attending the live In-Person Conference at CHI CUMC Bergan Mercy in Omaha, Nebraska & receive access to recorded sessions
- “Attend” sessions and earn CEU credits at your convenience by utilizing recorded sessions from the in-person conference.

COURSE DESCRIPTION

This one and a half day seminar focuses on current evidence-based practices relating to drug therapies, diagnosis, and management of infants in the NICU. This interactive conference allows for dialogue between the nurse practitioners, physicians, pharmacists, nurses, and ancillary staff.

OBJECTIVES

- Describe the most current pharmaceutical and therapeutic management practices for the care of infants in the NICU.
- Explain the pharmacology, action, use and side effects of selected neonatal medications
- Evaluate changes that are occurring in the NICU (QI & Research).
- Discuss current trends and issues in neonatal care.
